

HAMPTON BAYS BOOSTERS

Supporting Student Athletes Since 1973

c/o Hampton Bays Secondary School, 88 Argonne Rd., Hampton Bays, NY 11946

The Hampton Bays Booster Club is a fundraising organization. Over the years the “Baymen Boosters” have contributed towards or purchased many sports related items. We also sponsor yearly bonfires, spirit weeks and give annual scholarships to up to 8 graduating seniors.

We would like to invite you to join our organization. Your membership dues of \$20.00 per family will go a long way. Students and athletes deserve your support. We can do this by becoming active members of the Booster Club and by attending our sporting events.

The Booster Club meets once a month to discuss the progress of our teams and athletes and to organize fundraisers. The more active members we have, the more ideas generated, the better this organization will be able to help our athletes and coaches and also bolster school spirit.

Please join the Booster Club and our efforts to support Hampton Bays Schools and our Athletic Dept. We look forward to seeing you at monthly meetings. All meeting dates and activities can be viewed online at WWW.HBSCHOOLS.US

Sincerely,

Hampton Bays Booster Club Executive Committee
