

LONG ISLAND UNIVERSITY

Scholars Academy | Southampton, NY

Saturday and Summer Programs for Academically Talented Students in Grades 4 to 10

Is there a bright child in your life who will benefit from onsite academic enrichment?

Long Island University is expanding its renowned youth programs to the East End of Long Island. The **Scholars Academy of Long Island University**, located in Southampton, will provide the perfect blend of intellectual enrichment for fourth through tenth grade students. The program emphasizes an interdisciplinary approach to learning, exposing high-ability students to a wide variety of academic disciplines and career paths.

We are currently accepting applications for our Summer 2021 session. Application info is available at:

LIU.EDU/SCHOLARSACADEMY

STUDENTS BENEFIT FROM:

- Onsite instruction from a nationally ranked university
- Challenging coursework with like-minded peers who share a love for learning
- Saturday and summer morning programs
- A constructivist learning model with no tests, quizzes or memorization
- Completion certificate to enhance college applications

The Scholars Academy of Long Island University is a division of the LIU Center for Gifted Youth, the gold standard in gifted and talented education. Classes to begin this summer will focus on:

STEM | Fine Arts | Writing | Law | Mathematics | Science |
Entrepreneurship | Robotics
