Prom Contract

Hampton Bays High School works cooperatively with the junior and senior classes to organize off-site proms. Our goal is to organize a safe and orderly event in cooperation with parents. As such, all students, including any guests and parents/guardians of a student or guest must read and sign this contract prior to attending prom.

- All students and guest students attending the Prom are required to adhere to the designated rules, district code of conduct and directives of the faculty chaperones and administration.
 - Consumption and/or possession of alcoholic beverages or drugs are strictly prohibited. Anyone found in possession or to have consumed or be under the influence of alcoholic beverages or drugs will be immediately removed from the prom, as well as subject to the disciplinary consequences outlined in the district code of conduct.
 - All students must be transported to and from the prom venue by a parent or guardian.
 - All students and guest students must remain at the prom from scheduled start to end.
 - Students involved in any activity requiring disciplinary intervention will be directed to leave. Parents and guardians must be available to pick up their child at the request of a building administrator.
 - Full payment of all prom fees must be made prior to the day of the scheduled event.
